Who We Are and What We Do:

MC-NC Elementary PTO is a collaboration of parents and teachers of students in grades K-5 who work together to enhance and maximize the education and experiences of our elementary school children. Through our fundraising activities, the PTO is able to provide student programs and activities such as The Stevens Puppets, Kids on the Block and Scholastic Book Fair. PTO also sponsors family activities such as Trunk-or-Treat and Family Fun Days as well as covering expenses for field trip busing, communication folders, classroom technology, playground improvements and much more. Please check out our Calendar of Events and mark your calendars!

You can now find the Miller City PTO on Facebook!

We have created a Facebook page to keep teachers and parents up to date on upcoming PTO meetings, events and fundraisers. This Facebook page is classified as “secret”. This means that only those “invited” have access to this page. This secret Facebook page keeps Miller City PTO events and photos available only to Miller City parents and teachers and not the general public. If you wish to be “invited” to have access to the Miller City PTO Facebook page, send your request to Kelly Wagner at mkwagner@metalink.net.

Occasionally, PTO will post event photos to this Facebook page. Please advise a PTO officer if you do not wish for your child’s photo to be included in the photos.
