

Miller City-New Cleveland Elementary School needs your help for the 2017-2018 school year! MCNC is a Project MORE school, which utilizes community volunteers to serve as mentors in order to help children become better readers. Volunteers can be business people, senior citizens, junior high/high school students, parents, grandparents, etc.

Each Project MORE student receives 30 minutes of mentoring three times per week. Miller City-New Cleveland Elementary School is in need of volunteers to work with students throughout the week from 9:30 am to 10:45 am **or** 1:30pm to 2:05 pm on Tuesday, Wednesday **or** Thursday. The program will begin the first week of October. You can volunteer for the morning session or the afternoon session one or more days per week. Volunteers will use a variety of engaging and fun materials that are organized by the school's Project MORE coordinator, Mrs. Katie Lehman. By volunteering one hour per week, you will help a student improve his/her reading skills. Your personal attention can help a child gain the self-confidence he/she needs to become a better reader and also a better student.

If you are interested in volunteering please contact Mrs. Katie Lehman at Miller City-New Cleveland Elementary School for more information. You can reach her at 419-876-3174 or through her e-mail account: lehman_k@mcncschools.org
