

## **Volunteers Needed at Miller City New Cleveland Elementary!**

Miller City-New Cleveland Elementary School needs your help for the 2016-2017 school year! MCNC is a Project MORE school, which utilizes community volunteers to serve as mentors in order to help children become better readers. Volunteers can be business people, senior citizens, junior high/high school students, parents, grandparents, etc.

Each Project MORE student receives 30 minutes of mentoring four times per week. Miller City-New Cleveland Elementary School is in need of volunteers to work with students throughout the week, 8am to 11am, Monday through Friday. You can volunteer for one hour or for the entire morning one or more days per week. Volunteers will use a variety of engaging and fun materials that are organized by the school's Project MORE coordinator. By volunteering one hour per week, you will help a student improve his/her reading skills. Your personal attention can help a child gain the self-confidence he/she needs to become a better reader and also a better student.

If you are interested in volunteering please contact Mrs. Katie Lehman, Project MORE coordinator, at Miller City-New Cleveland Elementary School (419-876-3174) for more information. You can also reach her through her e-mail account: [lehman\\_k@mcncschools.org](mailto:lehman_k@mcncschools.org)

Thank you for your help as we strive to make sure that each of our students becomes a successful and confident reader!
